DETAILED ACTION***Reasons for Allowance***

Claims 178-188 and 197-200 are allowed. The following is an examiner's statement of reasons for allowance: referring to claim 178, it would not have been obvious to a person of ordinary skill in the art to provide a computer controlled display system having a movable assembly mechanically coupled to a flat panel display, wherein housed with the movable assembly is (1) a counter-balancing spring assembly having a proximal end coupled with a biscuit of a display mounting assembly and a distal end coupled with a biscuit of a base rotation assembly, and (2) an anti-torsion cable. These features, in combination with the rest of the elements or steps, are not taught or suggested by the prior art references. Claims 179-200 depend, either directly or indirectly, from claim 178 and are therefore allowable for at least the reasons provided above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anthony Q. Edwards whose telephone number is 571-272-2042. The examiner can normally be reached on M-F (7:30-3:00) First Friday Off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Darren Schuberg can be reached on 571-272-2800, ext. 35. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
